7 Years Famine
First Trip

7 Years Famine
Second Trip

KJV Genesis 45:6 For these **two years** hath the famine been in the land: **and yet there are five years**, in the which there shall neither be earing nor harvest.

KJV Genesis 47:9 And Jacob said unto Pharaoh, The days of the years of my pilgrimage are an **hundred and thirty years**:

The Egyptians sold their land to Joseph to obtain money to buy food during the seven years of famine. In the year of **Jubilee** Joseph returned the land to the people in exchange for a promise to pay their lord two tithes rent on the land. The priests did not have to pay the tax.

Once again, the typology of redemption follows the Jubilee cycle. Joseph is a type of Messiah, who saves His people. Likewise, Yeshua returns in the Year of Jubilee.

This historical example is the prototype of the legislation for land rental contracts and tithes in the Torah.

KJV Genesis 47:28 And Jacob lived in the land of Egypt **seventeen years**: so the whole age of Jacob was an **hundred forty and seven years**.

David M. Rohl, *Pharaohs And Kings — A Biblical Quest*, 1995, explains the Egyptian Archaeology correlating to the years of Joseph in Egypt. The conventional dates for the 12th dynasty are confirmed by the biblical chronology

This Period Marks the Ending of the Ice Age with Ice Melt Increasing to Cataclysmic Levels.
