Preface

If we are Christians then we are privileged to follow the Messiah of Israel and to name Him as Almighty Creator and Saviour. I call him Yeshua, for that is his given and proper Hebrew name, and acknowledge him as YHWH in human form. (Heresy hunters will therefore be disappointed.) It is alright if your pronunciation of Yeshua's name is somewhat inaccurate, and alright if we do not know how to say the name he shares with His Father perfectly, which is the name above all names. That is not the issue of this book. Perfection is not required for salvation. But if we are true Christians, does that mean we have all the truth? Does it mean that Yeshua always works with us with a smile on his face, and never a tear in one eye for what we lack? I think not. The Holy Spirit has condescended to dwell with and work with Christians of all ages during the exile of Israel, no matter how ignorant they may be. I am still learning more of the truth, also.

The age of exile is the age of ignorance, the age when the children of Nineveh did not know their right hand from their left. Like Jonah, I will now rise up and tell you a story of redemption, a story of three days and three nights. This is one truth that I do know. This is the sign I have been taught, and the sign that should be given to all Israel. I will tell this story anew to Christians, who like Joseph, have taken on the languages and cultures of foreign nations, yet who still remember the Almighty of Abraham, Isaac, and Jacob. I will try to tell the story in Christian terms so that Christians can understand. I will merely point out that the misbehaviour and ignorance of most Christians makes my fellow Israelites who follow Yeshua so ill that they do not even want to identify with the name Christian anymore, and substitute the term Messianic. That is what it used to mean to be a Christian in the days of Peter and John. If one were a Christian, then what was really meant is that you were a Messianic follower of Israel's Messiah. The thing that makes us so ill at ease with most Christianity is that it hardly resembles the Messianic (Christian) Faith taught by Yeshua's first Jewish followers, or by Yeshua himself. The reader will have to understand why I use the word "Christian" to refer to a majority of the professed followers of Messiah, concerning some
