## LITURGY FOR COUNTING THE OMER

On the facing page to the right is a table for figuring the counting to Shavuot. Look up the date of Nisan 16 on the preceding page for the current year, and note the weekday that it falls on. Then locate that week day on the chart on the next page. Under that weekday locate column *N*. Count forward on your calendar starting with Nisan 16 until you reach the current day. When you reach the current day number (*N*) read the figures in Columns *A*, *B*, and *C* at the far right, then substitute in the blessing that applies:

If before the first of the Sabbaths after Passover (*C*=0):

Blessed are you Adonai YHWH who sent your Son as the first-fruits of the resurrection and enjoined on us to count the Omer. Today is the \_\_*A*<sup>th</sup> day of the \_\_*B*<sup>th</sup> Shavua IN THE DAY AFTER THE CEASING, even the \_\_*N*<sup>th</sup> day IN THE DAY AFTER THE CEASING.

When the count is on a weekly Sabbath before 50 (*C* is shaded gold):

Blessed are you Adonai YHWH who sent your Son as the first-fruits of the resurrection and enjoined on us to count the Omer. Today is the \_\_*A*<sup>th</sup> day of the \_\_*B*<sup>th</sup> Shavua IN THE DAY AFTER THE CEASING, even the \_\_*N*<sup>th</sup> day IN THE DAY AFTER THE CEASING, and today is the \_\_*B*<sup>th</sup> of the Sabbaths that are perfect IN THE DAY AFTER THE CEASING.

When the count is on a weekday before 50 after the first of the Sabbaths (*C* is not gold and is not 0):

Blessed are you Adonai YHWH who sent your Son as the first-fruits of the resurrection and enjoined on us to count the Omer. Today is the \_\_*A*<sup>th</sup> day of the \_\_*B*<sup>th</sup> Shavua IN THE DAY AFTER THE CEASING, even the *N*<sup>th</sup> day IN THE DAY AFTER THE \_\_*C*<sup>th</sup> of the Sabbaths which is/are complete and perfect.

When the count is 50:

Blessed are you Adonai YHWH who sent your Son as the first-fruits of the resurrection and enjoined on us to count the Omer. Today is the 50<sup>th</sup> day IN THE DAY AFTER THE CEASING, even the 50<sup>th</sup> day IN THE DAY AFTER THE SEVENTH SABBATH making seven Sabbaths perfect.
